

“My Garden” Garden Awards 2018

For most of us what we do in our own garden is for our own satisfaction but there are times when it would be good if somebody said how attractive it was. Harrogate in Bloom runs the Summer Garden Awards for just that reason.

Because there is only one category – **Best Front Garden** – (which means the area between the street and your house regardless of size), all styles of garden are equally welcome – contemporary, traditional or wildlife friendly – it’s your choice.

All entrants will be judged against standards set by the RHS and be awarded either a Gold, Silver, Bronze or a Certificate of Merit - so in theory, everyone (or indeed no-one!) could win a Gold. The results will be announced at the “Harrogate in Bloom” Awards afternoon on Sunday 23rd September at the Old Swan Hotel.

Harrogate in Bloom confirm any personal information will only be used by HiB
