

Harrogate in Bloom Awards 2024

Harrogate in Bloom values the contribution made by all floral features; therefore we would like to invite you to enter your premises for our Bloom Awards

All styles and sizes of displays are equally welcome. It's the way you have used your premises that matters.

A trophy will be presented to the overall winner in each category. Judges are looking for:

- A good first impression
- Planting which is appropriate in colour and scale to the surroundings, with summer interest.
- Containers (if any) of appropriate size and style
- Paving, paths etc (if any) which complement the surroundings and are well maintained.
- Plants which are in good condition, disease free and well maintained, (dead-headed, watered, pruned etc)
- The whole area should be clean and litter free.
- Noticeable environmental features and/or residents' involvement

All entrants will be judged against standards set by the RHS and be awarded either a Gold, Silver, Bronze, or Certificate of Merit – so in theory everyone (or indeed no-one!) could win Gold. The results will be announced at the “Harrogate in Bloom” Awards evening on 19th September at West Park Hotel

Harrogate in Bloom confirm any personal information given will only be used by Harrogate in Bloom

Closing date for entries: 30th June 2024
Judging will take place between 16 – 26 July
